

Cave Man Cowboy - Rock N Roll Romance

Misc Unsigned Bands

before u strum the chord hit the E string first
then play the chord this goes for every chord in the song
(O means open strum With no chords being played)

G

i droped u off on a saturday night

C

brought some wine made you feel alright

G C O G

then we kissed and oh it felt so right

next weekend we went to a dance
showed u some moves showed you how to prance
man i love this rock n roll romance

the song is played the
same like how it is
shown in the begining
so just repeat the
chords in the same
order for the whole song

Brother played bassy and we made a song
dedicated to the one that i love
good thing that this night will last real long

we hang all night and every chance
i love those cute little tight red pants
man i love this rock n roll romance

i ride my bike with you behind
makes me feel good that your by my side
say were different oh they must be blind

you always say you wanna go to france
well lets just go and make it fast
man i love this rock n roll romance
