Chad Hatcher - Do It All Again
Misc Unsigned Bands

Alright, so its a pretty easy song, but chad makes it a bit more complicated
 with hammer-ons and other strumming patterns throughout the song, so it ll
 take a bit more practice to get this one. The chords go simply C, G, D, Em.

C   G
    Some times I see the things are right in front of me.
D
  And other times I got to look
Em
at the foot steps that I took
C   G   D   Em
and other times I just go with the flow and maybe we ll see how it goes,
C   G   D   Em
some times I get confused or feel like I always lose.

C   G
Do what we need so we can get by
D
Drink a little smoke a little
Em   C
Feel alright, at the end of the
            G   D   Em
day and we don t know why but we do it all again,

I know I ll do it all again

Outro--- C, G, D, Em
