

**Changing Me - Lee Youngner**  
**Misc Unsigned Bands**

You might want to use a capo.

VERSE 1:

**G** **C** **D**  
I thought that knowing you meant walking a straight line  
**G** **C** **D**  
But what good would that do for a heart as dark as mine  
**Em** **D** **C**  
Iâ€™ve never been so glad to be wrong

PRECHORUS:

**C** **G** **D** **Em**  
Iâ€™m not who I was, cause youâ€™re not who I expected  
**C** **G** **D** **C**  
And I am new because, Lord you said I am accepted

CHORUS:

**G** **D** **Em** **C**  
Youâ€™re changing me, changing me, changing me  
**G** **D** **Em** **C**  
Youâ€™re changing me, changing me, changing me (to BRIDGE after 2nd time)

VERSE 2:

**G** **C** **D**  
Well I thought that pleasing You meant cleaning up my act  
**G** **C** **D**  
But no matter what I do, You always take me back  
**Em** **D** **C**  
Iâ€™ve never been so glad to be wrong

PRECHORUS > CHORUS

BRIDGE:

**G** **D** **Em** **C**  
Itâ€™s all because of You that I am changing  
**G** **D** **Em**  
Itâ€™s not what I can do, but that You love me (x2)

PRECHORUS > CHORUS (x2)

I hope this helps!
