Dm Dm 2x

Dm **Dm**
Throughout history there has been, ideas about how it all began
Dm **Dm**
What plane we have all come from, and our existence from now on
Dm Dm 2x

Its a mystery what separates us, from all the herds of nothingness.
Is it because we can speak, or something else like the ability to dream?

Dm Dm 2x

Chorus:

F **Dm** **C** **Dm** **C** **Dm**
Tune your mind with reflection, use your attention with intention.
C **F** **Dm** **C**
Imagine what it is you want, if you re clear, it will appear.

Dm **Dm**
Our thoughts create our world, contrary to what you may have heard.
Your minds power is so strong, just by thinking you will affect the outcome.
Reaction is the result of action, the vibrations impact energy patterns.
They crash around like waves, influencing the way we behave.

a web of confusion, blocking us all from sound conclusions.
Im not here to say I know, what the future is going to hold.
But tomorrows not just another day, lets start creating what do you say?
