#1.

**G**  
Now, have you someone who you really love?  
**D G**  
A special person who you think the whole world of?  
**G**  
And does this someone have a hold on you?  
**D G**  
And they won t let go, but you don t want them to.

CHORUS:

**G C G**  
And so, to whom it concerns,  
**D G**  
All you in love, that s whom it concerns..  
**G7 C G**  
You can t help it, you like it, feeling this way.  
**D D7 G**  
You wanna be loved, every day.

**G C G D D7 G..(x2)**

#2.

**G**  
You can t sleep at night, cause love is on your mind,  
**D G**  
And that s how love can sometimes treat you so unkind.  
**G**  
When at last sleep comes, who do you dream of?  
**D G**  
The most wonderful person, yes, the one you love.

CHORUS:

**G C G**  
And so, to whom it concerns,
