and I realize that everything I own is in this room  
**D** **A**  
I don t know how I got here and I m not sure how to start  
**Em** **G**  
if you asked me to retrace myself it would probably be too far

but I m sitting on these wrinkled sheets and thinking to myself  
**G**  
I might be happy

chorus

and I just have to say  
**D** **A**  
the view looks fine from here

everything seems nice this time of year  
**D** **A**

I might just stick around a while

seems the people in this city always have some place to go  
**A**  
and there are couples walking everywhere as I sit all alone  
**G**  
but I am happy

chorus

and I just have to say

**D** **A**  
the view looks fine from here  
**Em** **G**  
everything seems nice this time of year

Got a couple hundred dollars and an 8x16 room  
**Em**  
most people think I m crazy  
**G**  
said I took off way too soon  
**D** **A**  
but I can t describe this longing that s pulling me inside  
**Em** **G**  
sometimes following your heart can be an interesting ride  
**A**  
but I m looking over rooftops at the colors  
**G**  
and I know that I am happy

chorus

and I just have to say  
**D** **A**  
the view looks fine from here  
**Em** **G**

and even though the future is unclear  
**Em** **G**  
I might just stick around a while
