Come With Me by Christie Dupree

G, Cadd9

I remember you and how you loved me
Or so I thought

I remember you
There was only you
Or so I thought

Am, Em, Am, Em, D

And one day youâ€™ll realize you made a mistake
Ahhhh, oh

G, Cadd9

Come with me
Come with me
Come by yourself
Come, my dear, oh

G, Cadd9

Will I find you? Will you find me?
Just like I thought
Will I find you? Will you find me?

And always alright
Just like I thought

Am, Em, Am, Em, D

And one day youâ€™ll realize you made a mistake
Ahhh, oh

Come with me
Come with me
Come by yourself
Come, my dear, oh

Am, Em... repeat until need to hit D

And years from now,
Sheâ€™ll look at you and say,
â€˜We can do anything we want.
We can do anything we wantâ€™

Come with me
Come with me
Come by yourself
Come, my dear

Come with me
Come with me
Come by yourself
Come, my dear, oh
