D Bm G A
A new friend to have and it seemed like such a treat
D Bm A Bm
But then, we found the truth; she s just a bully from the east
D Bm A G
She went from bad, yeah, to a bully and a thief
F#m G A
Everywhere we turn, she s just a step ahead

D A Bm G
Babs Seed, Babs Seed, what we gonna do?
D A Bm A
Got a bully on our tail, gotta hide, we gotta bail
D A Bm G
Babs Seed, Babs Seed, if she s after you,
D A Bm A
Gotta run, we gotta flee, gotta hurry, don t you see?
F#m G A D
Babs Seed, Babs Seed, she s just a bad, bad seed

D Bm
Yeah, yeah, yeah
G A

D Bm A Bm D
Yeah, yeah, yeah, yeah, yeah
