

Cole Swindell - Chillin It
Misc Unsigned Bands

Capo II

I got my shades on, top back, rollin with the music jacked
one on the wheel one around you baby

Verse 1

C **G**
Little sun left to burn in the blue sky
D **Em**
shinin off the cross hangin from the mirror of my ride
C
Breeze blowin in,
G
your hair blowin round,
D **Em**
you re scannin through the stations lookin for that country sound
C **G**
The good stuff iced up in the back seat,
D **Em**
nowhere to go, nowhere to be

Chorus

C **G**
I got my shades on, top back, rollin with the music jacked
D **Em**
one on the wheel, one around you baby
C **G**
Sunset, I bet there s a chance we can get
D **Em**
sure enough, tangled up, laid back and lazy
C **G**
Pour it on easy now, don t spill a bit
D **Em**
nothin but time tonight, let s get to killin it
C **G** **D**
Long as I m rockin with you girl you know I m cool with

just chillin it

Repeat same chords throughout

Verse 2

Nothin but two lane country on up ahead
girl you so fine, I wouldn t mind if this is all we did
You got me high on kisses,
you got me missin signs
Hard lookin left when my world is on my right

Chorus

Bridge

C **G**
Nothin like a little you and me low key,
D **Em**
right now I m right where I wanna be

Chorus

C G **D**
Yeah I love rocking with you girl, we re just chillin it
