

Cole Swindell - Chillin It
Misc Unsigned Bands

Capo II

I got my shades on, top back, rollin with the music jacked
one on the wheel one around you baby

Verse 1

B **F#**
Little sun left to burn in the blue sky
C# **Ebm**
shinin off the cross hangin from the mirror of my ride
B
Breeze blowin in,
F#
your hair blowin round,
C# **Ebm**
you re scannin through the stations lookin for that country sound
B **F#**
The good stuff iced up in the back seat,
C# **Ebm**
nowhere to go, nowhere to be

Chorus

B **F#**
I got my shades on, top back, rollin with the music jacked
C# **Ebm**
one on the wheel, one around you baby
B **F#**
Sunset, I bet there s a chance we can get
C# **Ebm**
sure enough, tangled up, laid back and lazy
B **F#**
Pour it on easy now, don t spill a bit
C# **Ebm**
nothin but time tonight, let s get to killin it
B **F#** **C#**
Long as I m rockin with you girl you know I m cool with

just chillin it

Repeat same chords throughout

Verse 2

Nothin but two lane country on up ahead
girl you so fine, I wouldn t mind if this is all we did
You got me high on kisses,
you got me missin signs
Hard lookin left when my world is on my right

Chorus

Bridge

B **F#**
Nothin like a little you and me low key,
C# **Ebm**
right now I m right where I wanna be

Chorus

B F# **C#**
Yeah I love rocking with you girl, we re just chillin it
