C C G G7

CCC

G G7

I must be the lucky kind of boy

C G E A

cause looking into your copper, now that s pure joy

G D

Now take my hand and we ll rune for miles

A G

It makes my day when I make you smile

And now----- [riff]

[DDDD]

G

Your back s against the wall

C

we can see into our souls

A D

So kiss, kiss my androgynous heart

A D

and kiss, kiss just to break me apart

G G7

When green meets copper I don t know what to do

C G E A-----

Beautiful girl, I m just in love with you

Am Em

The hurt s too bad, I fear I d die

Dm Am

If I ever made your copper cry

Chorus

G G7

And through my tears

A E

you made me feel so loved

G C

So come after me, come back to me

E A

Put me into your arms once again

A-----

Because I love you-----
