

**Concept - For One More Day**

**Misc Unsigned Bands**

Hey, I ve been working on the album a lot lately and the inspiration is just flowing from God cause I haven t been doin much to spark it). Anyways, well I was just sittin there listening to Staind when I played a chord I in awhile and then this song just started to flow. So well here it is.

Intro:

**Bm, Asus, G5** x2

Verse:

**Bm**                    **Asus**                    **G5**  
I try to pick myself up off the floor

**Bm**                    **Asus**                    **G5**  
I wanna help myself but I don t see why

**Bm**                    **Asus**                    **G5**  
I told myself I would never go back

**Bm**                    **Asus**                    **G5**  
But here I am and I m on my knees....

I m Prayin

Chorus

**Dsus**  
For One More Day

**Asus**  
What Would I do

**G**  
To see your face  
  
To hear your voice

**Dsus**  
For one more day

**Asus**  
What would I give

**G**

What would I do

**Bm**                      **Asus**

I just wanted you to see

**Bm, Asus, G5** x2

Verse:

**Bm**                      **Asus**                      **G5**

I wanted you to find me Lyin there

**Bm**                      **Asus**                      **G5**

I knew it would hurt to see me care

**Bm**                      **Asus**                      **G5**

It s not what we had intended

**Bm**                      **Asus**                      **G5**

Things just happen that way

I m still prayin

Repeat Chorus

Bridge:

**Bm**                      **G**                      **Asus**

I still care for you

**Bm**                      **G**                      **Asus**

I won t ever stop loving you

Soft Chorus to end (temp)
