4AM ~ Crimson Soul

I only have the chords for this I could figure out the rest

Verse - power chords sound better on electric

**D** **A**  
It s 4AM and I can t stop thinking about you tonight  
**G**  
The way your hair falls in your face  
**D** **A** **G**  
It just feels so right, so right And time stands still

Chorus

**D** **A**  
Can we be us again, it doesn t matter where you have been  
**G** **D** **A**  
or gone before, can t take it anymore, can t take it anymore  
**D** **A**  
can we be us again we both know now what we didn t know then  
**G** **D** **A**  
and so much more, can t take it anymore, can t take it anymore

**D** | **D** |

Verse

**D** **A**  
By 10AM I am restless beyond anything I know  
**G**  
The way your hair falls in your face  
**D** **A** **G**  
It just feels so right, so right And time stands still

Chorus

**D** **A**  
Can we be us again, it doesn t matter where you have been  
**G** **D** **A**  
or gone before, can t take it anymore, can t take it anymore  
**D** **A**  
can we be us again we both know now what we didn t know then  
**G** **D** **A**  
and so much more, can t take it anymore, can t take it anymore

**D** | **D\A** | **G** | **D\A** | 2x

Verse altered

**D** **D\A** **G** **D\A** **D** **D\A** **G** **D\A**  
Tell me why it had to be this way, Tell me why it had to be this way

Cause I ve fallen to the ground, Would you pick me up, Would you put me down

Cause I ve fallen to the ground, Would you pick me up, Would you put me down

Chorus

**D** **A**

Can we be us again, it doesn t matter where you have been

**D** **A**

Can we be us again, it doesn t matter where you have been

**G**

or gone before

**G** **D** **A**

or gone before, can t take it anymore, can t take it anymore

**D** **A**

can we be us again we both know now what we didn t know then

**G** **D** **A**

and so much more, can t take it anymore, can t take it anymore

Have fun Cblank
