B
There is a place inside of me
A E
Where you are not suppose to be
B
Are you listening
B
Somehow you slip inside the walls
A E
That s when my rusted armor falls
B
I hear whispering
A B
From a voice inside of me
A B
That s screaming silently

Chorus:

E
Don t touch me there
A
It doesn t belong to you
C#m B
You can t use me anymore
E
Don t touch me there
A
I am no longer yours
C#m B
You can t bruise me like before
B
Don t touch me there

Well maybe I cry too easily
I couldn t escape an injury
Let me walk away
Cause you are much harder to resist
When you keep holding me like this
With no words to say
And my heart begins to feel

The wound that just won't heal

Chorus *

G#m **A** **B**
I'm stronger to the ways of love
 F#m **C#m** **G#m**
I have grown accustomed to the pain
E **A** **B**
But my heart still remains
