<http://www.youtube.com/watch?v=1hwNyovlwFY>

(Capo 1) Or can also be played without capo.
the chords are **A**, **F#**, **E**, **D** through out the whole song but is played differently:

A: 002200
F#: 202200
E: 022100
D: 000230

[Verse 1]
Well
hello and hi there
never knew you were weird like me
thought i was the only one
you make me feel like i m not that lone-ly
can t believe your boy don t understand you
and you don t seem like you love it
and i think that we have more in common
so think twice

we could be like cosmo and wanda
music and lyrics
under these blankets and covers
we can be like waffles and syrup
so take my hand today
and we can make now into last week
and turn you and him to you and me

[Chorus]
I ll
Take you to a place where
you don t have to think of him
and we can go wheeere
ever you want

It won t cost you damn thing
love don t got no price at all
so if you need me,
you can bet your bottom dollar I ll be there

[Verse 2]
I m seriously drawn by the way that you ve been overly hurt
because i m always here to try to make you know what you re worth
a young lady that s amazing and you re perfect i tell it
with that cute pokin bottom to them perkyish melons

and you re a felon

that smile is better than fresh pancakes
i can t believe you and your stupid man date
i know i m saying everything too weird and really fast paced
but i just wanna cuddle you re butt and give you my last name

oooh

cause every day i ll give you love as a deposit
i don t need a million dollars or some cash up in my wallet
to keep you up in my heart
you re scrumptious i need a bite
lets sit and watch superbad
eating noodles with sticky rice

and not care about everybody cause we ll be out on our way
you re the apple of my day, and that juice to my minute maid
with that make-up on your face, i could tell that you tryd
and ain t no other man better than, better than, better than

[Chorus]

I ll
Take you to a place where
you don t have to think of him
and we can go wheeere
ever you want

It won t cost you damn thing
love don t got no price at all
so if you need me,
you can bet your bottom dollar I ll be there
