Tab by Sam Kurcab
Just some simple chords to play along with.

D A G D
Suzanne beware of the devil, don t let him spoil your heart
D A G D
Suzanne beware of the devil, don t let him put us apart

D A
Did you say we got apart
G D
Or did you say let s go for a walk
D A
Did you say you got someone new
G D
Or did you say you like the color of hue
F#m G
I don t know what s going on
F#m D
You re not the girl I used to know
F#m G
You re turning my world upside down
D E
Branding me with a frown

(Same for rest of the song.)

Suzanne beware of the devil, don t let him spoil your heart
Suzanne beware of the devil, don t let him put us apart

Did you say you re leaving town
Or did you say you re sticking around
Did you say you re serious
Or did you say it s all a bluff
Why do you wanna change our dreams
All the things we ve planned and schemed
Do you really wanna go
Or is it just an overnight goal

Suzanne beware of the devil, don t let him spoil your heart
Suzanne beware of the devil, don t let him put us apart, no no

Did you say we got apart
Or did you say let s go for a walk

Did you say you got someone new
Or did you say you like the colour of hue
I don't know what's going on
You're not the girl I used to know
You're turning my world upside down
Branding me with a frown

Suzanne beware of the devil, don't let him spoil your heart
Suzanne beware of the devil, oh, don't let him put us apart ...
