

Dave Mccullen - Let Me Know

Misc Unsigned Bands

Super simple, and very sweet song. Enjoy!

CAPO 2ND FRET

Let me know if I still have a place in your heart

Let me know if you still care about me

Let me know if I still have a place in your heart

Let me know if you still care about me

If you let me know if you let me know

That I still have a place in your heart

If you let me know if you let me know

That I still have a place in your heart
