

**Davedays - 8 Years Apart**

**Misc Unsigned Bands**

So this is a pretty simple song, but still cool.  
Figured out the chords and I m probably 90% sure of it

Where it goes from F# to E down to D, you can take away the F# if you feel it sounds better.

I just use barre chords for the whole song

Check out this video for strumming patterns and such.
