Welcome to the boomtown

Handsome Kevin got a little off track

Took a year off of college

And he never went back

Now he smokes too much

He's got a permanent hack

Deals dope out of Denny's

Keeps a table in the back

He always listens to the ground

I say welcome, welcome to the boomtown

Pick a habit  
We got plenty to go around  
Welcome, welcome to the boomtown  
All that money makes such a succulent sound  
Welcome to the boomtown
