CAPO 4

Intro: **Am Em F Am G F**

Am Em
I found myself with a pocket of change

F
In a country with no currency

Am G
My current seat is on the back of a train,

F
Headed miles and miles away from you.

Am Em F
And all the walls are caving in on all our perfect stories,

Am G F
And I just can't take it anymore

Am Em
You're the worst of the worst,

F
And the best of the best,

Am Em F G
And never once did you bring anything less, anything less

Am Em
And I will lay at the top of the world,

F G
Cause that's where you left me, that's where you left me,

Am Em F G
And I did not want to be there all by myself, all by myself

Am Em
And you lost my trust when you broke my heart,

F
And you should've seen this from the start,

Am G F
Why wasn't I on your mind that day? Those nights?

Am Em F
And I cannot think, I cannot sleep, and God forbid I try to eat,

Am G F
Cause I'll never look at you the same
