Use power cord

**B** **G#**  
Gonna lay with a ghost by my side  
**Em** **F# B**  
Let the birds take to the sky  
**B**  
Gonna try and drown or drink  
**G#**  
The river dry  
**Em** **F# B**  
May the ghost lay by my side  
**G#** **F#**  
And the flowers will bloom  
**Em B**  
If you want them to  
**G#** **F#**  
And the flowers will bloom  
**B**  
If you want them to

We spoke upon the stars up in the night  
How d you ever get so high  
Gonna try and drown  
Or drink the river dry  
May the ghost lay by my side  
And the flowers will bloom  
If you want them to  
And the flowers will bloom  
If you want them to

Palm mute

**G#**  
Kissed a blue girl  
**F# G# Em B F#**  
While it rained broken glass

Rode a bolt of white light  
With Satan on my lap

Everything is happening in the dark  
And everything is happening all at once

Do we haunt the hearts of god  
My love I bet ya haunt the heart  
Of god my love
