**C**                            **Cmaj7**                            **Am**  
Heard about it in a truck stop in Bristol  
**C**                            **Cmaj7**                            **Am**  
Called a friend that we both used to know  
**C**                            **Cmaj7**                            **Am**  
How you met him and you soon would be married  
**G**  
And hoped that I d show.

**C**                            **Cmaj7**                            **Am**  
I know you meant what you said,  
**G**                            **F**  
I wish I meant what I did.

**G**                            **F**  
Anyway I m sorry  
**F**                            **Am**  
Anyway I m sorry  
**Am**                            **F**  
Anyway I m sorry  
**F**                            **C**  
So sorry now.

**C**                            **Cmaj7**                            **Am**  
Seventeen, had a truck and your trust in me  
**C**                            **Cmaj7**                            **Am**  
I drove them both about as far as they d go  
**C**                            **Cmaj7**                            **Am**  
Lookin back I can see how I hurt you  
**G**  
Just cause I could.

**C**                            **Cmaj7**                            **Am**  
I know you meant what you said,

I had a plan to get all dressed up

**F**

And all messed up

**G C**

And take you down.

**C Cmaj7 Am**

Seven years holding tight to a memory

**C Cmaj7 Am**

They re bleeding scars from a fist like a rose

**C Cmaj7 Am**

Looking back I can see how I hurt you

**G**

Just cause I wanted to

**C Cmaj7 Am**

My sister says I should heal

**F**

You said I stole your idea

**G**

Wasn t it your idea?

**G F**
