Misc Unsigned Bands

NANCY

INTRO **E/C/D/A**

E **C**

Outside here, there s hell

D **A**

Bombs are falling, like the rain

E **C**

She laughs with her dolls in the hand

D **A**

I Cry because we are in danger

E **G** **A**

Nancy don t you fear

C **D**

I have all under control

G

Dear Nancy don t cry

D

I ve promised you

A **C** **D**

I ll save you from this war

FAKE WORLD

INTRO **B/D B/D**

B

Don t see the way

Where I m going

D

don t cry it s better

G

there s a black wall with an happy frame

E

I cannot hear you cry

B

There s something more in this place

D

i cannot hear you screaming

G

No i m sure,i understand

E

i don t hear you cry

B

where s my way, I want to scream more

D

don t do that it s better

G

I ll kick, I ll hit this wall

E

and welcome to

E **D**

and welcome to

B D G E

my fake world, do you want to escape from my

B D G

Mind you want my control, destroy this world

E E

Run away from this black box tonight X2

B D

and some sad voice, far away from here

G E

there are only screams tonight

B

it seems like a crying

D

far away from here

G E

i can t hear cry tonight

B

where s my way, I want to scream more

D

don t do that it s better

G

I ll kick, I ll hit this wall

E

and welcome to

E D

and welcome to

B D G E

my fake world, do you want to escape from my

B D G

Mind you want my control, destroy this world

E E

Run away from this black box tonight X2

B D

and some sad voice, far away from here

BIG WAR

E

My fellows take your weapon

G B

is this the isn t it?

E

It s just a little battle

G B

Don t you lie

E

We re gonna come back quickly

G **B**

I ll tell my sister Nancy

E

It s just a little battle

E **B**

Don t you lie we re going to the big war

G F# **E**

I ll tell you about Nancy

C **D**

This is the story

G F# **E**

She s waiting me at home

I want to see her dancing

C **D**

After this stupid war

E

I Don t believe this story

G **B**

This is the truth bilieve me

E

How could a human do this

G **B**

Believe me I m right

E

Now where s the little Nancy

G **B**

In a cemetery

E

How could a human do this

G **B**

These are consequences of the war

G F# **E**

I ll tell you about Nancy

C **D**

This is the story

G F# **E**

She s now in the arms of Lord

Combacting with no fancy

C **D**

She died in the big war

SON OF A STAR

C

Usual road, the same path

E **G**

i m walking automatic

C

look at the sky, over my head

E **G**

there s no light on me

C

I want to say
I want to scream
heaven!

E **G**
Ain t no stars tonight

C
Ain t no stars tonight

E **G**
son of a star does not exist

C
I want to say
I want to scream
heaven!

E **G**
Ain t no stars tonight

C
sound of silence wanna sleep tonight

E **G**
too much stuff in my head

C
Are u next to me hope that i could be

E **G**
i m alone in this night

C
Ain t no stars tonight

E **G**
son of a star does not exist

C
Lights are turning on, the dark escapes

E **G**
I know this is my star

C
Look at the sky over my head

E **G**
I know this is my star

Ain t no stars tonight

VERY SOON

E **D** **C** **D**

lucky day perfect sky, leaves are falling in my mind and let me lye here

C **D**

and I want somebody helping me,I m risking all my life I think I m gonna die

E D C E

very soon
Very soon I m going to find my way home

FIND U

A G#

I want to find you,

C# F# G#

where are you I wanna see you more

A G#

I want to find you,

C# F# G#

I m searchin you but you aren t here

A G#

I want to know where s the way,

C# F# G#

where I can see you more

A G#

I want to know where s the way,

C# F# G#

where I can see you more

A E

And I m going to be so sad,

G# B

with all the rage, breaking my head

A E

And I m going to be so sad,

G# B

with all the rage, breaking my head

SHE S NOT MINE

B E

As she looks straight into my eyes

B/D/C/B

My heart is going fast

B

don t listen to me

B

I ve lost the control

B/D/C/B

my mind is coming out

B

A

D

I hope that tonight something special s gonna happen

B

A

D

take my hand, take my hand and come with me

B

A

Hope that tonight something special s gonna happen

D

E

take my hand, take my hand and come with me

B

A

moon laughs on us,wind touchs our skin slowly

D

E

take my hand, take my hand and come with me

B

I don t lie

C D
it seems my eyes couldn't see

E E
I cannot breathe

C D
It's gonna kill me slowly, it wants to tear me down

E E
It's suffocating me

C D
There's no solution

E D C B
No one told me

E D C B
No one told me

G F# G F#
Where to lie

E D C B
No one told me

E D C B
I wish that I could fly

E D C B
No one told me

E
Shut the fuck up and cry!

E E
Was it just a dream, was reality?

C D
I'm feeling it under my skin

E E
Is this happening, is it just my mind

C D
This light is making me blind

E
I found the line

C A D
The way is the correct one, I think

E
I follow the line

C A D (D# ONLY BASS)
As this will bring me out of hell

E D C B
No one told me

E D C B
No one told me

G F# G F#
Where to lie

E D C B
No one told me

E D C B

I wish that i could fly

E D C B

No one told me

E

Shut the fuck n cry!

LOVE SONG

C A

I m sure you re smiling in this moment

E E

your eyes are shiny stars

C

I m missing you my little Nancy

A E E

Why are you so far?

C A

Always remember that I love you

E E

It makes me feel so good

C A

I m missing you my little Nancy

E E

Why are you so far?

G D

And I m waiting for you

C

I am looking to the sky

C

Ain t no stars with me tonight

G D

And I m waiting for you

C

Feel so lonely under the sky

C

There is only me and the moon

G D

Nancy don t cry

C C

Dear Nancy don t cry

Don t cry

Dear Nancy don t cry

J

D A B G

I want to fly into deep of your eyes

D A B G

smelling yeah the fragrance of life

D A B G

and I want to caress your hair

D A B G

smiling happy to the sadness of sun

G

I miss you

G D A

you ve gone far away from me

B A

but I m here for you

G D A

you left me all alone

B A

only with a dream of you

G

and I m waiting

D A B A

waiting for you

D A

you walk through the streets of my dreams

B G

singing to me some sweet words

D A

you remain in my mind all day long

B

I love you J

G

G D A

you ve gone far away from me

B A

but I m here for you

G D A

you left me all alone

B A

only with a dream of you

G

and I m waiting

D A B A

waiting for you

G/D/A/B/A

NOTHING BUT MOMENT

E B

There s a moment in your life when you should realize

C

Past or future it s the same

D

Present is you

C A D

now you can see that everything could disappear

E

no one else (nothing else can take u there)

C A

look at the wall, there s a picture

D E

it s a picture,a picture of you

C A D E

You lye in the dark just looking at it

G G# (FOR ALL PATTERN)

You know, you d better not think about it

C A D E(FOR ALL PATTERN)

but you can t think she s there alone

far from you

you know,you know..but actually you know nothing

it s all inside you
