Dewey Cox - Dear Mr. President

Capo on 1st

G Em C D  
Dear Mr. President, I want you to know,  
G Em C D  
I am deeper than you, listen and learn,  
G Em C D  
My heart is a chapel, my head is a steeple,  
G Em C G  
My arms are the people, and the people now yearn.

G Em C D  
I stand for the midget, I stand for the negro,  
G Em C D  
I stand for the injun, all hopped up on booze,  
G Em C D  
I stand for the jap, and I stand for the beaner,  
G Em C G  
I stand, yes I do, for the christ-killin jew.

G Em C D  
And I stand for the dyke, and I stand for the retard,  
G Em C D  
I stand for the chinaman, washing my socks,  
G Em C D  
I stand for the bum, and the pimp, and the bugger,  
G Em C G  
And the cripple that lives, on my street in a box.

G Em C D  
To conclude, Mr. President, I m not at all hesitant,  
G Em C D  
To tell you I think, the first ladie s a fox,  
G Em C D  
Her husband, the jerk off, has ruined my country,  
G Em C G  
That s all for today, sincerely, D. Cox.
