Dewey Cox - Dear Mr. President

Capo on 1st

G **Em** **C** **D**
Dear Mr. President, I want you to know,
G **Em** **C** **D**
I am deeper than you, listen and learn,
G **Em** **C** **D**
My heart is a chapel, my head is a steeple,
G **Em** **C** **G**
My arms are the people, and the people now yearn.

G **Em** **C** **D**
I stand for the midget, I stand for the negro,
G **Em** **C** **D**
I stand for the injun, all hopped up on booze,
G **Em** **C** **D**
I stand for the jap, and I stand for the beaner,
G **Em** **C** **G**
I stand, yes I do, for the christ-killin jew.

G **Em** **C** **D**
And I stand for the dyke, and I stand for the retard,
G **Em** **C** **D**
I stand for the chinaman, washing my socks,
G **Em** **C** **D**
I stand for the bum, and the pimp, and the bugger,
G **Em** **C** **G**
And the cripple that lives, on my street in a box.

G **Em** **C** **D**
To conclude, Mr. President, I m not at all hesitant,
G **Em** **C** **D**
To tell you I think, the first ladie s a fox,
G **Em** **C** **D**
Her husband, the jerk off, has ruined my country,
G **Em** **C** **G**
That s all for today, sincerely, D. Cox.
