You want to be set free. From my arms for another man.

I dont want to let you go. But you seem to want to go so. Fly away from me

She said, I dont know if I love you now, after all that weâ€™ve been through.

I dont know if I should stay with you, give me one good reason why I should stay
or Ill

fly away from you.

CHORUS

So just let me know now, and Ill let you go now.

Oh just let me know now, or we could fly away together you and I.

Verse 2

You want to walk away. You say that Im too straight.

I dont want to change my ways. I dont know what else to say to you, who flys
away from me.

Weve been friends for such a short time. Only met you at the club that night.

Now you

donâ€™t want to know me no more, but theres more

CHORUS

Verse 3

You want to fly with me, but you want to be set free. With me, on and on it
goes, and it

goes till it goes no more.

Without me, youve got nobody else, except yourself, you must accept yourself.

That your to blame if you leave me on this night.

CHORUS

BRIDGE

Oh Fly Away With Me For A Long Long Long Time.
