Title: Suicide Note

Tab by Justin Ong @ Jusb

Guitar 1 plays clean tone in whole song (power chords)

Guitar 2 plays distortion in pre chorus and chorus (power chords)

both guitars play occasional licks n solos

Verse

B G D A
Trouble follows me to my doorsteps I don t want to know
B G D A
Blood from Heaven and things from Hell they re forcing me to go
B G D A
So when you start to realize that I get no more sleep oh brother
B G D
So when I walk and when I so when I talk and it s turning
A
It s turning It s turning turning turning turning.

Chorus

B G D A B G D A
I Left my suicide note on the door

Once more.

Verse

B G D A
The pipe is blowing and they ve started searching I m not afraid to go so bring
me
B G D A
So when I walk and when I so when I talk and It s turning It s turing It s
turning turning turning turning
B G D A
So when you feel like love so when you think above and there s nobody there and
there s nobody here
B G D A
So when you feel estranged and there s no complaints dear God I m turning I m
turning I m turning
turning turning turning

Chorus

B G D A B G D A

I Left my suicide note on the door

B G D A B G D A

Baby wont you look me in the eye once more? Once more

B G D A B G D A

Lost In eyes and well it can t stand in my way

B G D A B G D A

Hit me honey I left my things down to play
