Donna Allen - Emerald City Misc Unsigned Bands CFG С F Morning wakes softly and gently stirs the shadows from sleep G С dreaming of days long and lazy under the sun. F This city can t make up her mind to rain or to shine, so she G7 G does both at the same time, shooting rainbows across a С periwinkle sky. F С Once in awhile she pulls up her clouds and shows you her elegant side G7 G C wild beauty she does not give freely. Green Lake your indigo waters seduce G7 F G C your lover, the night, lights trace your shores while the deep blue descends on you, \mathbf{F} G C Showering longing kisses under the gaze of the moon s misty eyes. C \mathbf{F} She asks for your soul to seal the deal and you sigh, you re not sure why G G7 C you came but you know you can t leave. С F This city can t make up her mind to rain or to shine, so she does both at the G G7 C

same time, shooting rainbows across a periwinkle sky.
