

**Dont Stop Or Well Die - She Got Titties In All The Right Places**  
**Misc Unsigned Bands**

Intro, Verse and Chorus: **D, G, F**

**D**                               **G**               **F**  
When mum and dad go out on the town,  
**D**                                       **G**               **F**  
They hire the sitter, Miss Jessica Brown,  
**D**                                       **G**               **F**  
She parks her car like she does ever week,  
**D**                                       **G**               **F**  
I part the curtains and I get a peek.

And so on... apart from the change in the last line

**D**   **G F**  
She got titties, in all the right places,  
          **D**   **G F**  
She got titties, oh my goodness gracious,  
          **D**   **G F**  
She got titties, in all the right places,  
          **C**   **G**  
And she s here until 11pm.

And so on...
