Misc Unsigned Bands

Intro: **D G A D** x2

Verse 1

When i was a young and my daddy said to me
well son i wanna know what is it you wanna be
i said i never wear a tie and i like the color green
i think i gonna wanna fly the f***ing f sixteen
well i heard my momma screaming cause i yelled it right out loud
well daddy had to wash my mouth i knew that he was proud
he gave me a shot that was something in between
lysol, alcohol, a touch of gasoline

Refrain

Fox one fox one when you got nothing left
fox two fox two its that heater in your chest
fox three the only freind you ll ever need
That c*** s***** mother f***** Jeramiah Weed

Verse 2

now if you drive the eagle than you drink it all for show
and if you drive the hog then you gotta drink it slow
and if you drive the viper then you gotta drink it fast
cause this ain t a time to loiter and we ain t got the gas
now if you drive the stinkbug then drink it on your own
and if you drive the mudhen then you cant drink it alone
and if you stuck in UAV s then my advice to you

D **A**
is to drink the F***ing bottle man there nothing left to do
