

Double Take - Hot Problems

Misc Unsigned Bands

Hi these are the official saddestdolphin Hot Problems (Ukulele Cover) chords!

These are UKULELE chords.

The verses and whatever are basically this:

G **D**
Look at me and tell me the truth
C
What do you do
D **G**
When people don t know what we go through

-You repeat that until you get to the chorus which goes like this:

G **Em**
Hot girls we have problems too
D **C**
We re just like you, except we re hot
G **Em** **D**
The whole world needs to open their eyes, and realize
C **G**
We re not perfect and sometimes we lie.

-Then you go back to the verses and so on.
