Double Take - Hot Problems Misc Unsigned Bands

Hi these are the official saddestdolphin Hot Problems (Ukulele Cover) chords!

These are UKULELE chords.

The verses and whatever are basically this:

G :

Look at me and tell me the truth

C

What do you do

When people don t know what we go through

-You repeat that until you get to the chorus which goes like this:

G Em

Hot girls we have problems too

D

We re just like you, except we re hot

G Em D

The whole world needs to open their eyes, and realize

C

We re not perfect and sometimes we lie.

-Then you go back to the verses and so on.
