Key G

Verse 1:

G
Create a place through shapes and shades
D
Build a blinding stage where beauty is made
Em **C**
But when your colors fade
D
Everything will change

G
I m trying hard to imagine better
D
Daydream him, I ll wait forever
Em **C**
I ll pray that our paths blur
D
together...

Em
It might not be true
C
But it s the best I can do
G **D**
It s only to keep a little piece of you

Em
I can t keep it inside
C
I ll have to shout it out loud
G **D**
All of the things I couldn t live without
Em **C**
And I m pouring my heart, and I m spilling my soul
G **D**
And I m taking a breath, and he s giving his all
G **D**
And I wanna walk out from the trouble I m in
Em **C**
Cause I m really not sure where to begin

Pre-Chorus:

G
And to fake it, it will make it better
D

Better than it was before

Em

Lies could bring us close together

B7

So I won't be lonely no more

Em

Pretending it doesn't matter
