E

I won't life, I need you here

E

Waiting for your call It all depends

E

On the dizzy weather, and the secret wind

E

Your caffeine fix, and your party friends

E

I know you miss me Yeah Yeah
Come over here and kiss me

(Do Cp: **E**)

Maybe I need, to try your pill
Meet the ghosts, they're all your friends
On a perfect beach, with a renegade wave
Your analog soul I tried
