

Dylan Holland - I Call You Love
Misc Unsigned Bands

Any questions? Tweet me! @paiton143

Capo: 4th Fret

Intro:

```
e|-----|
B|-----|
G|-----|
D|-----|
A|----0---4-|
E|-3-----|
```

C, G, Am, F x2

```
C                G                Am
With your piercing blue eyes, and your long dark hair,
F                C
darling you look so great tonight
      G                Am      F
I just wish you would be mine.
```

```
C                G                Am
Every night I hope and pray, that some how you would
      F
wonder back by my side
C                G                Am      F
But until then ill just sit up and cry.
```

(Bridge)

```
F                G                C                G      Am
When I say I love you girl, its not some word I throw
G
around.
F                G                C                G
And when you say you love me to, I know its real, no
Am      G
need to frown
F                G                C      G                Am
Just say it once for me, once, just soft and slow.
```

(Chorus)

```
C      G                Am
So I can let you know, Baby I love you, your the only
```

F
 one that can make me feel so
C G Am F
 La la loved inside the dark and lonely world
C G Am
 Your love shall guide me through my ignorance, whats
F
 the difference
C G Am F
 Your loves what makes me see...and thats why I call
C G Am F
 you love, love, love, love, la la la love

C, G, Am, F(One strum)

C G Am
 Now im getting sick of writing these songs, but if its
F C
 for you ill do it all day long
G Am F
 But I just can t keep from crying
C G Am
 Your the stars the moon the ocean sun, your every ounce
F
 of breath that s left in me when this song is done
C Am F
 How many times should I tell you

(Repeat Bridge and Chorus)

C, G, Am, F

Em Am Em
 I ve told you one to many times that I love you
Am Em
 Cuz your my angel girl, no one goes above you
Am Em
 Words could never explain I could only show you
Am
 Ill tell you once more, I love you
