Dm

Sometimes you write a song

F **C**

that you can't sing

Dm

because the subject matter

F

raises something

C

that you'd kept in the dark

Dm **F** **C**

Or maybe you'll sing her name

Dm

Maybe it doesn't really matter

F

what you say

C

Because you've said it

F

so you can't sing it out loud

Dm

F

If it needs to be said then say it,

C

and if it needs to be sung, don't hesitate

Dm

F

but if you wrote it and now you regret it,

C

hum the tune

Dm F C
Na na na na na na na
Dm F C
Na na na na na na na

Dm F
This is a song for the ones
C
who feel betrayed
Dm F C
but not enough to lose a friend,

A song for the ones
F
with a hidden past,
C Dm
who kept it in the dark too long

Dm C
This song s about the girl
F
who doesn t know that he s in love with her,
Dm F
and the boy who doesn t know

she loves him too

Dm F
If it needs to be said then say it,
C
and if it needs to be sung, don t hesitate
Dm F
but if you wrote it and now you regret it,
C
hum the tune

Dm F C
Na na na na na na na
Dm F C

Dm F
If it needs to be said then say it,
