

Ellington - In A Lonley Place
Misc Unsigned Bands

OK the way i wrote it was fine until i put in onto UG so forgive me if its confusing

Capo 3

I m definitely considering dreams are worth giving up when everything seems way
Dsus4 Cadd9
too much.

G **Dsus4** **Em7**
Girl i cant be the boy who fixes your broken heart
Dsus4 **G**
and i know it s hard but i feel compelled to help you.
Dsus4 **Em7** **Dsus4 (hold)**
Just incase they find you, i want your smile to never fade away!

Em7 **Dsus4**
Just like an eskimo would say it s cold out here today, I m glad i built myself an igloo
Em7 **Dsus4**
to keep you warm. I drew two love hearts i the snow, printed our names next to them

Cadd9
Both you said don t be so immature

suddenly every sentence that i convey is covering up every mistake i ve made

Dsus4

and if we stay out here all night im sure we ll freeze but honestly i wish you
wouldn t

Em7

Dsus4

leave.This is where i say something funny and hope to god you crack a smile.

Dsus4

Em7

If it wasn t love why does it hurt this much to say goodbye?

Dsus4

Em7

This is where you do something cute and i fall more in love with you.

Dsus4

I think you might be better off with someone less like me!

Em7

Dsus4

the only thing i wanted to tell you is i feel perfectly fine

Em7

but i honestly just need some piece and quite for a while

Dsus4

have you ever been so tired?

Em7

Dsus4

If waking up alone in a park is about as good as it gets i know i did my best, i
know i

Em7

Dsus4

did my best to be yours, my best to be yours.
