you re earth bound and i m injured  
we move too fast to remember  
the drive on to me

**C   Am       F**  
drive on to me  
drive on to me  
we carved the days from the hours  
you showed me all i could have  
in the drive on to me

(chords same as intro)  
you were free when i was taken  
you did your best to change that  
in the drive on to me

**G           Am           F**  
you stop and i m in over drive  
you hooked the stars with your eyes  
in the drive on to me

**C   Am       F**  
drive on to me  
drive on to me  
we carved the days from the hours  
you showed me all i could have

in the drive on to me

**C C C F** x4

**C**

accident when we needed

**G** **Am**

i m stronger as we near it

we can t help to watch this

**G**

whole thing crash together

**F**

we are the bruised and the tender

**G**

we are the crack that was mended

**F**

from all the times

**F**

we ever tried

**F**

we should ve found

**G**

each other in this

**C Am**

**F**

drive on to me

drive on to me

we carved the days from the hours

you showed me all i could have

in the drive on to me

**C**
