

Ello Govna - Baylee  
Misc Unsigned Bands

### The Lyrics:

Verse 1:

Wish you were here with me now,  
but you d rather not be How,  
do you not want to be with me?

I really love you thats no doubt,  
i ll leave if you want me out,  
just tell me what you want.

Chorus :

Theres no other for me  
I really love you Baylee,  
you fill my heart with glee.

I don't want to hold your hand  
I just want you to understand  
How much I love you.  
(Play chords once before next verse)

Verse 2:

I wanna kiss you, ohh thats right  
i think about you all night,  
I just really want you here!

Because  
without you things arent clear,  
im just so full of fear  
That you dont want to be with me!

Chorus :

( above )
