

Emergency Music - This Is A Wilderness  
Misc Unsigned Bands

I did not have the lyrics, so I had to do the lyrics (and guitar) by ear. All unknown lyrics are marked with --

C G C G  
Stay in bed to avoid the day Getting light so you pull the shades

C Bb C G  
Though the colors they come around You re better still and you make no sound

Am C  
But these fallers keep falling And these callers keep calling

**G** Ohohoh what else could you do **B** When everything just pulls you  
**Em** **D** **C** **Cm**  
 Take another city bus downtown  
**G** **B**  
 It makes you want to throw a fit Like you did at 15  
**Em** **D** **C** **Cm**  
 but you see that there s no point to ask Point to ask

G      C G      C Bb      C G      C

G C G  
If nothing s suffered than nothing s gained Let the wine bottle fill ---  
Bb C G  
These are the changes you brag about you don t care if -----  
Am G  
Out in the open So you pull on the covers

**G** **B**  
 Ohohoh if i speak to you You better take -----  
**Em** **D** **C** **Cm**  
 Cause you re bound to miss a line or two  
**G** **B**  
 And you treat the words like gold Let them change you in a  
**Em** **D** **C** **Cm**  
 Million ways or not at all Not at all

You get the basic gist of it
