And we re moving slow, our hearts beat so fast.

D# **F**
My head is a jungle, jungle,

My head is a jungle, jungle,
 Gm **F**
My head, oh!

[Verse 2]

I was speaking soft, see the pain in your eyes,
I ve been feeling, feeling for you, my love.
And our bodies are tired, our shadows will dance,

My head is a jungle, jungle,
My head is a jungle, jungle,
My head is a jungle, jungle,
My head, oh.

[Verse 3]

And I m complicated, you won t get me, I have trouble, understanding myself,

hurting ourselves

And I m complicated, you won t get me I have trouble, understanding myself,

My head is a jungle, jungle,

My head, oh, oh, oh, oh oh..
