

VERSE 2:

I went there to the site they had said she would be **A** **E**
Too cold a world for a girl, seventeen **Bm**
I couldn't complete it, they wouldn't foresee it **A**
Love is now where her life couldn't be **E** **A**
Oh believe it can happen **E**
Death is time's true companion
And the future takes a second to be **Bm**
Close your eyes and feel what is happening **A** **E**

CHORUS:

Hayley it doesn't even matter now **A** **E**
We could've truly had it all **Bm**
Oh we could've truly had it all **A** **E**
I say Hayley it doesn't even matter now **A** **E**
We could've truly had it all **Bm**
Oh we could've truly had it all **A** **E**

VERSE 3:

Hayley the dark world took you under **A** **E**
Whatever made you wonder **Bm**
Ever made you wonder **A** **E**
Hayley the dark world took you under **A** **E**
Whatever made you wonder **Bm**
Whatever made you wonder **A** **E**

END ON: A

This song is really fun to play! To make it sound like the way it is played on the only strum the strings ADGB the whole time, avoid both the high and low E strings. For the

pattern, listen to the song, it s fairly simple to pick up. I hope this tab was helpful
