G **D** **C**
Youre letting me go

Em **D**

Em **C** **D**
Id give it back but I dont want to

Chorus

G **D** **C**
I know why Im leading her on

G **D** **C**
Shes not the one that I want

G **D** **C**
I dont want to let you let go of me

G **D** **C**
I just want to make you so jealous

G **D** **C**
While you pretend to forget us

G **D** **C**
In your eyes surrender a little envy

The light in her kitchen stays on real late
And every word I never say to you is lost for good

I wouldnt say them if I could
