

--Chorus--

A **E**
You look so good when your dancing
G **D**
I watch you spill your drink on the tops of your shoes
A **E**
You look so good when your dancing
G **D**
Can I have this dance with you for the rest of my life

--Verse--

A **D** **B6/7sus**
A
Love is like water
D **B6/7sus**
Shaped from the shores that it meets
A
Your delicate fingers
D **B6/7sus**
And my two left feet
A
Me in my stiff Sunday clothes
D **B6/7sus**
Pressed starched pants
A
We ll keep the light at our backs
D **B6/7sus**
And watch our shadows hold hands

--Bridge--

F#m **A**
Please hold my hand
D **E**
Oh...

--Chorus--

A **E**
You look so good when your dancing
G **D**
I watch you spill your drink on the tops of your shoes
A **E**
You look so good when your dancing
G **D** **A**
Can I have this dance with you for the rest of my life

--Outro--

D **B6/7sus** **A**
Can I have this dance with you

D **B6/7sus** **A**
Can I have this dance with you

D **B6/7sus** **A**
For the rest of my life
