intro: **F#m--A--Ex2**

Verse:

F#m

I can t take these fights anymore

A

I ve got too much at stake

E

I swear I ve spent too many nights on the floor

F#m

I ve set myself up to blow it

A

E

I m such an ass and I know it

pre-chorus:

F#m

This time I m falling faster

A

E

Than a boeing with broken wings

F#m

With other to contrast her

A

They always leave me feeling

E

F#m

A

Calloused, broken, alone

chorus:

F#m

A

Hey Heather, I m lost in the letters

F#m

A

E

Together we can find something better

verse 2:

F#m

So that s it, you re not coming back

A

I locked the door

But just in case

E

I think I left a spare under the mat

F#m

I know it makes it tougher

A

I can't help that

E

I love her

pre-chorus

F#m

Try to avoid disaster

A

E

When her reply meant everything

F#m

Distance is hard to master

A

Most when it leaves you feeling

E

F#m

A

Tired, exhausted, overblown

(repeat chorus)

F#m

Cause when December comes

A

E

I hope you'll see how you've been missing out

F#m

Then call me up to confess

A

E

That it's me you're thinking about

(interlude: **A**)

A

E

How about you give me the day?

A

I'll set off in a second

E

I need you here with me

(interlude: A---)

(repeat chorus, ending on A)
