Verse 1:

D **G** **B** **A**
It hasn't been that long since I have seen you.
D **G** **B** **A**
But faces fade away like sand through open fingers.
D **G** **B** **A**
Your laughing smiles what I remember the best.
D **G** **B** **A**
And pieces of a heart are splintering from my chest.

Chorus:

D **A** **B** **G**
What is this all about?
D **A** **B** **G**
What is this all about?
D **A** **B** **G**
What is this all about?
 D **A** **B**
Am I falling for his girl?

Verse 2:

D-G-B-A(2x)

D **G** **B** **A**
Time is passing so very slow and please don't pass me by.
D **G** **B** **A**
Please forgive me if I ever have done wrong.

Bridge:

G **B** **A** **G**
This song is not to try to win you over now.
G **B** **D** **G**
This is truly how I feel on the inside.
G **B** **D** **G**
And all I ask is that you give me just one chance.
