One More Chance

This is the second song i have written, Please rate

For Lynsey ;)

**D**                  **G**          **Em A**  
I really never meant to hurt you.  
          **D**                  **G**          **Em A**  
And I m so sorry, it was not in my plans.  
          **D**                  **G**          **Em A**  
But i promise I ll be better.  
          **D**                  **G**          **Em A**  
Just as long as your still holding my hand.

**D**                  **G**          **Em A**  
I thought you couldn t see through me.  
          **D**                  **G**          **Em A**  
Never thought that i was acting so strange.  
          **D**                  **G**          **Em A**  
But if you gimme one more chance girl.  
          **D**                  **G**          **Em A**  
I swear to god, you know that im, gonna change.

Chorus

**D**                  **G**          **Em A**  
Gimme one more chance.  
          **D**                  **G**          **Em A**  
Just gimme one more chance (Don t let this pass)  
          **D**                  **G**          **Em D A**  
You ve just gotta let me show you.  
**G**  **D/F#**  **Em**  **Asus2**  **A**          **D**  
That our Love, Love was made to last.

**D G Em A** X2

**D**                  **G**          **Em A**  
I Know we drive each other crazy.  
          **D**                  **G**          **Em A**  
And i know i never give you all of my time.  
          **D**                  **G**          **Em D A**  
Cause im easily distracted.  
          **D**                  **G**          **Em A**  
Keep moving forward, we will be just fine.

D G Em A  
And i promise ill be faithful.

D G Em A  
No need to worry your self no more.

D G Em A  
My wild days are over.

D G Em A  
Now i know what my heart is for

Chorus

D G Em A  
Gimme one more chance.

D G Em A  
Just gimme one more chance (Don t let this pass)

D G Em D A  
You ve just gotta let me show you.

G D/F# Em Asus2 A D  
That our Love, Love was made to last.

D G Em A X2

D G Em A  
So if you can forgive me.

D G Em A  
And look beyond all the things that I have done.

D G Em A  
I will keep all these promises Now.

D G Em A  
Ill make you shine just like the morning sun

D G Em A  
And ill treat you like a queen.

D G Em D A  
Or maybe be my princess.

D G Em A  
But I need an answer

D G Em A  
Because I dont know yet (will you)

Chorus

D G Em A  
Gimme one more chance.

D G Em A  
Just gimme one more chance (Don t let this pass)

D G Em D A  
You ve just gotta let me show you.

G D/F# Em Asus2 A D  
That our Love, Love was made to last.

(Repeat)

End
