3 at last now's my chance
Is it yes or no?
After school I'm the fool
Waiting with a rose

The time is passing
My heart is crashing
In distress I confess
My mind overflows
Your perfume in the room
Yeah you must be close
You keep me chasing
There s no escaping
What is this game you re playing

(chorus)

In control you don t want to make up your mind
Yes today but tomorrow some other time
You confuse me
Why do you abuse me, yeah

D

Girl I want you head to toe

D

Give it up or let me go
