

Four Wall - Everlast
Misc Unsigned Bands

This is a song by a local band called Four Walls. It's pretty simple, except for the
which I haven't tabbed out (because it's crazy hard, and they never play it the
same way twice)

Intro:

E-B-C#-A (usually during performances, they play around with a riff on the
chords, like
182's Carousel)

Verse:

pm throughout:

E-B-C#-A
play 8x

Verse:

B-E-C#-A strum

play 8x then **B-E** hold

Breakdown: Pluck the opening chords on the clean channel then launch into a
pickslide
the verse.

Enjoy.
