Four Wall - Everlast
Misc Unsigned Bands

This is a song by a local band called Four Walls. It s pretty simple, except for the
which I haven t tabbed out (because it s crazy hard, and they never play it the same way twice)

Intro:

E-**B**-**C#**-**A** (usually during performances, they play around with a riff on the chords, like
182 s Carousel)

Verse:

pm throughout:

E-**B**-**C#**-**A**
play 8x

Verse:

B-**E**-**C#**-**A** strum

play 8x then **B**-**E** hold

Breakdown: Pluck the opening chords on the clean channel then launch into a pickslide
the verse.

Enjoy.
